

2026 Brainerd Invitational

Age divisions for 2026 will be same as in 2025.

There will be three age divisions playing Blue tees: 39 & Under, 40-54, and 55 & Above. The White Tee Senior division will remain unchanged.

Seniors will have the option to choose between playing White Tees or Blue Tees. Seniors competing from the Blue Tees will be eligible for prizes within their respective age group and for the overall Brainerd Championship, in accordance with the rules applied to the 40-54 age division.

Super Seniors will play Gold tees in 2026. The Gold tees will actually be a combination of White/Gold tees. Some of the Gold tees will be set same as White tees, and others will be ahead of the White tees. Previously Super Seniors played all White tees, and this change is being made at request of Super Senior players.

Player age classifications will be based on the participant's age as of the end of the calendar year, rather than on the first day of the tournament. This allows participants who reach ages 40, 55, or 65 after the tournament begins but before year's end to compete in the next age group. For instance, a participant turning 55 in September is permitted to enter as a Senior.
